

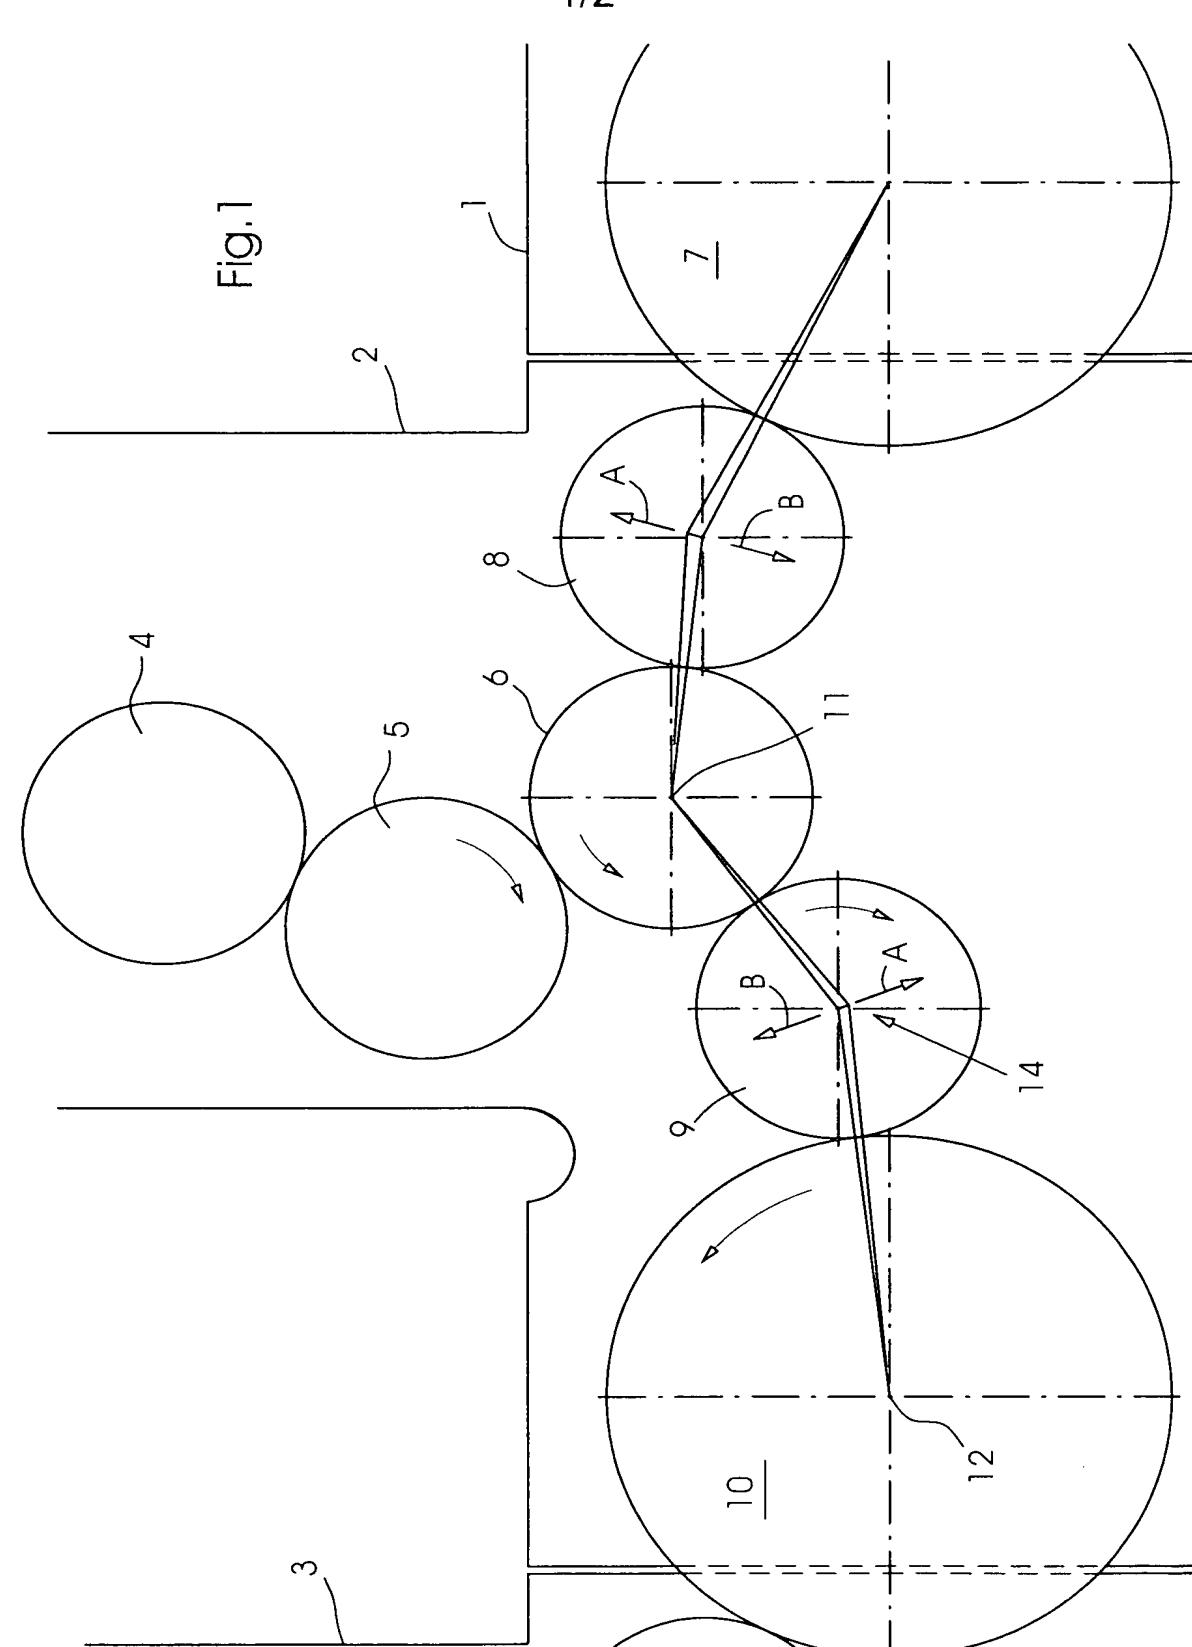

Fig. 1

1/2

This technical drawing illustrates a mechanical assembly, likely a valve or pump component, shown in two views. The top view, labeled '1/2', shows a central vertical axis with a horizontal slot. A circular component labeled '7' is positioned above the slot. The bottom view shows a more complex assembly with several circular components labeled 4, 5, 6, 8, 9, 10, 11, 12, 13, and 14. Components 8, 11, 12, and 14 are marked with 'A' and 'B' arrows, indicating rotational movement. A horizontal line labeled '3' is at the bottom, and a vertical line labeled '2' is on the left. Two small circles are located at the top center.
